DECISION AND ORDER

Respondent.

Case No. 75-98

Before: JULIAN, Chairperson, SERPE, STEININGER, and WILSON, Board Members

DECISION

The Respondent has moved to dismiss this matter "for failure to prosecute as a result of Appellant's non-appearance at the scheduled prehearing conference for which notice was sent to his last-known address, or indirectly, for failing to apprise the Board of his current address as was necessary to permit processing of his appeal."

Appellant has failed to respond to this motion after a copy of the motion and directions to respond no later than November 10, 1975, were mailed to the Appellant at his last known address. These letters were returned marked "Moved, left no address."

We find that the Appellant has failed to prosecute this appeal and has failed to apprise the Board of a current address, and we conclude that he is in default and Respondent's motion must be granted.

ORDER

IT IS HEREBY ORDERED that this appeal be dismissed.

Dated November 24 , 1975.
